The highlight of any Congress without doubt is its Scientific programme. For this we have curated a scientific programme that is comprehensive, current, and critical to our work in women's health, where scientific deliberations will be made from eminent Speakers from home & abroad.

We are sure that the Delegates will be immensely benefited by the presentations. This will in turn, pave the pathway for the better future for women in terms of providing quality care.

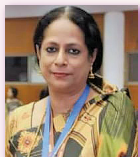

A very festive Cultural program has also been planned. Moreover besides participating in the Scientific Conference, the Delegates will also get an opportunity to enjoy the beauty of the longest Sea beach of the world at Cox's Bazar.
